# Omar Al-Mahammed

.Net Full Stack Web Developer Trainee at Orange Coding Academy  
Amman, Jordan

## Summary

Passionate about merging my background in customer service with a growing interest in web development. Currently, as a Web Full Stack Developer Trainee at Orange, I am diving deep into the details of both front-end and back-end technologies. With a solid foundation in delivering exceptional service and building strong client relationships from my previous role, I am now actively honing my skills in web development, particularly in HTML, CSS, JS, ASP.Net Core Web API and ASP.Net MVC. Committed to continuous learning and leveraging my diverse skill set to drive innovation and exceed expectations. Let's connect to explore opportunities for collaboration and mutual growth.

## VFS Global

### Customer Service Officer

February 2024 - April 2024 (3 months)

Jordan

As a Customer Service Officer at VFS Global, where I played a vital role in delivering exceptional service to clients navigating visa and passport processes. During my tenure, I successfully handled inquiries, resolved issues, and managed data entry, audits, and financial transactions with applicants. Although my time at VFS Global has concluded, I am grateful for the valuable experience gained and the opportunity to contribute to the organization's objectives. I am now seeking new opportunities where I can apply my skills and expertise to make a meaningful impact in a dynamic environment.
